# KODIAK ISLAND

## ALASKA

### FISHING & BEAR VIEWING

With decades of guiding experience!

#### LOCATION

Kodiak Island is 250 miles SW of Anchorage. Our wilderness ocean-front house is located on Ugak Bay, a short 20 minute flight from the city of Kodiak.

#### WORLD-CLASS FISHING

Excellent opportunities to catch fish in both freshwater (crystal clear streams) and saltwater near our lodging. Fish species include all five species of Pacific salmon, halibut, lingcod, rockfish, Pacific cod, rainbow trout, steelhead trout, Dolly Varden and Arctic char. We target fish in season (May thru September).

#### INCLUDED

Guide service, accommodations in our comfortable wilderness ocean-front house, both river fishing and saltwater fishing, spin fishing gear, all meals, snacks, packed lunches, beverages, and fish processing. Abundant wildlife and Kodiak Brown bear viewing tours.

Enjoy a Kodiak fishing trip of a lifetime!  
We host small groups, families, and couples.
